BLACK CAT ANNUAL

Bay City, Texas

# Catalyst

## — Ron Mills

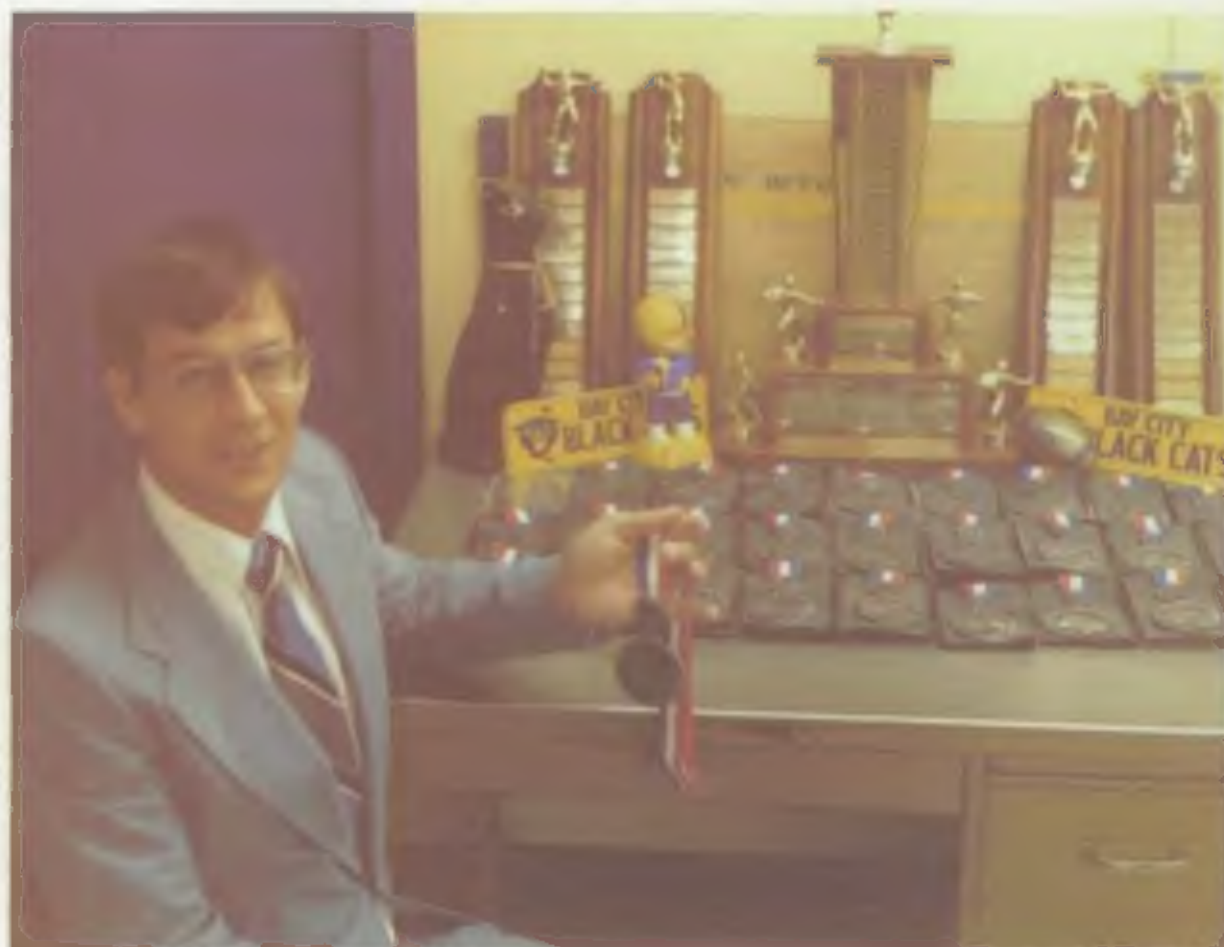

A catalyst speeds up or aids in the coming about of change.

In the case of Bay City High School, the agent for change over the past five years in our athletic program has been Athletic Director and Head Coach Ron Mills.

Coach Mills has a low-keyed kind of energy . . . you don't hear about him until his successes become evident — and this year they have brought us to our first state playoff in football.

He and his department have given us many reasons to cheer in all our sports programs.

And, so, it is to Coach Mills that this "Energy for the Eighties" 1980 Black Cat Annual is dedicated.

# Congrats, Coach!

Literally half of Bay City seemed to be at the Astro-dome to cheer on the Black Cats as they played their very first State Final game. At left, Principal Joe Graham presents the UIL Trophy to Coach Mills at a special awards assembly honoring all of the school's top-notch pigskin teams.

Harold Smith tries medal for size.

# Foreword:

And so we came . . .

With ENERGY. And this yearbook is a celebration of that energy, the energy of Bay City High School in the fall of 1979 and the spring of 1980. For this energy, as manifested in the faculty, students, clubs, and sports programs, is what makes winners out of all of us who have known Bay City High.

So, browse and enjoy. And as you remember, maybe a little of the old voltage will tingle through your system once again.

Long live ENERGY!

Members of the Art club distinguished themselves in a variety of media. Some won national as well as district and regional honors.

Sponsored by Mrs. Linda Allison, the group helped many other clubs who had special need of their artistic talents.

The Annual Staff is especially indebted to the Art Club for the striking representation of the *1980 Black Cat* cover which was the original design of staffer and Art Club member Sylvia Tanner and formed the backdrop for the Favorites Assembly.

## Drum Majors

It was a very good year for that famous Black Cat Band. They were noted for their exciting and inventive halftime performances, which featured such stars as Kermit the Frog and Superman.

They wowed the judges at Marching Contest, receiving an unanimous "#1" rating, and continued to do well in successive competitions.

They finished off the year with a trip to Disneyland in California.

# Tennis

For the first time in a five-year period, the Black Cat tennis team qualified for the region tennis tournament in the spring of 1980.

Four players pitted their skills against rivals at Huntsville in 3A play.

Coached by Hal Roberts they included Michelle Miller in girls' singles; Doyle Simons and Mike Sedillo, boys' doubles; and Robbie Dzuik, singles alternate.

It was a great season for all the team.

Safe!

It was a very disappointing year for the 1980 Black Cat Varsity Baseball team which became the only major varsity-level group not to win a district championship.

The team concluded the 1980 campaign with a heartbreaking loss to Wharton which became the District champion.

The Black Cats ended the season with an 11-17 record.

But, despite the disappointments on the high school diamonds, Bay City High earned its tab as "the winningest" Class AAA school in Texas for the 1979-1980 year.

# Boys' Track

Coach Marshal Brown's track stars had another good year that saw the mile-relay team advance

Patrick Franklin qualified in the 100-meter dash while Simon Fletcher led the region qualifiers with a 17-6 discus throw, and Larry Brown clocked a 21.46 in the 200-meter dash.

Britt Wallace won his second consecutive District title in pole vault and Todd Mills emerged as a 300-meter hurdles contender

# Time Capsule

Recognizing that this year's senior class will observe its 20th class reunion in the year 2000 A.D., the Student Council, with the cooperation of school organizations and Principal Joe Graham, put together memorabilia of this very energetic year

The "time capsule" was buried with appropriate ceremonies at the base of the flag pole. Local and state dignitaries made note of the many changes that have occurred in Bay City in the past 20 years and State Representative Tom Uher, who is an alumnus of BCHS, predicted that in 20 years there will probably be two high schools serving "our town."

Rep. Uher reminisced about his days at BCHS

So then it was finished, books and all.  
The Seniors had come to the end of the hall.  
A little bit hopeful, a little bit scared  
They're stepping out into a new world out there  
Must buffets and bows when life's one big test  
They'll look back with longing at BC HS
